

Sunshine Preschool Newsletter

St Gerard's January 2026

A warm welcome back to everyone and we hope you had an enjoyable Christmas time. As we start the new term the team would like to wish you all a very happy and healthy new year and say a big thank you for the lovely giant Christmas card and gift we received; we are looking forward to a nice meal out soon!

TERM DATES

Term starts

Monday 5th Jan 2026

Last day of term

Friday 13th Feb 2026

Please note we do not always run to the same dates as local schools. Term dates are detailed in the [Welcome book](#) and on our [calendar](#)

CURRICULUM TOPICS

We will be exploring the topics detailed below. This term we will be using books, songs and activities to support children's mathematical development. You can support your child's mathematical learning at home by looking at shapes in the environment and helping them to count during every day routines, such as climbing the stairs, unpacking the shopping and noticing numbers when you're out and about. If you would like more information on suitable activity ideas you can arrange to speak to your child's key person when dropping off, or collecting.

Sound of the Week - Our sound of the week is detailed below, so please encourage your child to explore phonics by looking for objects at home that begin with this sound.

Number of the Week - This term we will be introducing a 'number' alongside our 'sound' of the week. If you would like to send us some photos on Tapestry of your child holding that amount or having found the numeral when out and about please do send them in!

Can you help? As part of our focus on maths, we will be looking at how music supports mathematical thinking. **If you, or a family member, can play a musical instrument**, and you would like to come in and play for the children, please let us know. We would love to introduce the children to a range of instruments, music styles and the sounds they make, so any ability would be welcomed!

26 - 30 Jan	Building Bridges	G	Three Billy Goats Gruff	London Bridge is falling down	4
2 - 6 Feb	Let's Build!	L	Three Little Pigs	10 Little builders	5
9 - 13 Feb	Lunar New Year (Year of the Horse)	Y	The Great Race	A Dragon is Very Fierce	6

GRANDPARENTS' DAY

We will be celebrating Grandparents' Day (an annual Polish celebration) this year on Thursday 22nd January. All grandparents are welcome to come into the setting 2 - 3 pm to take part in songs, stories and a cup of tea! If it is not your child's normal session, they are still welcome to attend with their grandparents.

We would welcome any donations of cakes for this event.

PRIMARY SCHOOL APPLICATIONS

The deadline for primary school places is fast approaching! If your child was born between 1 September 2021 and 31 August 2022 you need to apply for a new reception school place to your home local authority.

Parents must make an application for Reception in September 2026 by midnight on **15th January 2026**.

[**The Big Brush Club**](#) - oral health advice for parents. There is an Oral Health Improvement [**Online Webinar**](#) for Parents and Guardians on Saturday 17th Jan (9.30 am). This session will discuss the importance of good oral health in children, common oral problems and diseases that occur in infancy and preventive advice for parents or carers.

To continue to support children's oral health, we will also be helping the children with daily supervised brushing to supplement home brushing. All the information for this initiative is also available on the Big Brush Club website.

The [**BBC Tiny Happy People**](https://www.bbc.co.uk/tiny-happy-people) website provides a wealth of FREE resources including fun activity ideas, tips and advice, child development facts, key talking tips for any age and much more. All designed to empower families with knowledge and techniques to support their 0–4-year-olds development in the home learning environment.

ILLNESS

Bristol City Council have sent information to schools and pre-schools regarding infection control measures as there are concerns about the rising number of cases of: **Scarlet Fever, Strep Throat, Respiratory Infections (including Covid and flu), Norovirus, Chicken Pox, and Impetigo**. In order to help minimise the risk of infection, Sunshines will continue to carry out strict hygiene and hand washing procedures and our enhanced cleaning routines. We also need parents to be vigilant in not sending their child to preschool if they are ill to prevent the spread of germs. As we have a small staff team, and do not use agency staff, our sickness policy sometimes differs from the NHS guidelines to ensure we can stay operational: children need to be off for a minimum of 48 hours for any contagious illness or infection, or until they are no longer contagious. We really appreciate your support in this matter in keeping everyone as well as possible in our community.

Suitable Clothes for Pre-school - Please make sure children are dressed in appropriate clothes for pre-school which they can easily manage themselves when using the toilet. Clothes need to be easy to pull up and down with no difficult fastenings. As the weather is now colder, please make sure they are dressed in warm clothes as we will be accessing outdoor play every day. We ask for no scarves or gloves on string, as these are a strangling hazard. Shoes need to be suitable for climbing and running outdoors but wellington boots are not suitable for indoor play so if your child wears them to pre-school please can you bring shoes for them to change into. Many thanks for your help with these issues.

A **very big thank you** to everyone who supported our sponsored events last term; we raised an amazing £126 for new resources for preschool! At the start of term, we will be asking the children to vote on what they would like, and we will spend it accordingly.
